How do I register?

Parents

1. You will receive a registration email from noreply@sims.co.uk containing a unique invitation code. You will need this code to set up your SIMS Online Services account. If you have not yet received a registration email, please check your SPAM folder before contacting your school.

IMPORTANT NOTE: To register for SIMS Online Services products, you will need one of the following accounts: Microsoft, Office 365, Google, Facebook, Twitter or SIMS ID.

2. Follow the link in the email to be directed to the **Sign in** page.

The screenshot shows a sign-in page titled "Register your account for SIMS products". Below the title, it says "For users with an existing SIMS ID account please sign in here". There are two input fields: "Username" and "Password". Below these fields is a light blue box with the text: "In the interest of security you are advised not to save your username or password in the browser". At the bottom of the form is a blue "Sign in" button.

IMPORTANT NOTE: Only users with an existing SIMS ID account can enter their details in the **Username** and **Password** fields that are displayed.

3. Users who do not have a SIMS ID account should register with a Microsoft, Office 365, Google, Facebook or Twitter account. Click the icon for the relevant Third Party account and you will be directed to sign in using your existing details.

The screenshot shows a sign-in page titled "For users registering with a third party account please select a sign in option below". Below the title are five icons representing different third-party accounts: Microsoft (four colored squares), Twitter (blue bird), Facebook (blue 'f'), Google (red 'g'), and Office 365 (orange 'O').

Why can't I register?

- If you do not have a SIMS ID account, you should register with a Microsoft, Office 365, Google, Facebook or Twitter account. Click the icon for the relevant Third Party account and you will be directed to sign in using your existing details. If you try to enter your Third Party details in the SIMS ID **Username** and **Password** fields, the following error will be displayed.

The screenshot shows a registration form titled "Register your account for SIMS products". It is divided into two sections. The top section is for existing SIMS ID users, with a heading "For users with an existing SIMS ID account please sign in here". It contains two input fields: "Username" (with the text "wrongusername@yahoo.co.uk") and "Password". Below these fields is a red error message: "Error: Invalid username or password". A blue notification box below the error message states: "In the interest of security you are advised not to save your username or password in the browser". A blue "Sign in" button is located below the notification. The bottom section is for users registering with a third party account, with a heading "For users registering with a third party account please select a sign in option below". It features five social media icons: Microsoft (four colored squares), Twitter (bird icon), Facebook (blue square with 'f'), Google (red square with 'g'), and Office 365 (orange square with a white 'O').

- If you have forgotten your password, please contact your Third Party account provider (e.g. Google, Microsoft, etc.) and request a new password.
